

SIGN UP FOR
ARBOR DAY 2010

YOU ARE NEEDED to Titivate and Deliver trees to around 2,000 third grade children at 24 schools in Newport-Mesa School District. This is our 42nd consecutive year. Six private schools in Costa Mesa have been given to Costa Mesa Rotary and they will join us in titivation.

We will also be donating a “large” tree to one of our schools, with a ceremony that we hope you will attend, along with city and school board representatives.

1. **Titivation** will start at **9:00 AM on Saturday March 6th** at Fire Station Seven. 20401 Acacia Street, N.B. 92660 at southwest corner of Acacia St. and Mesa Dr.
2. **Delivery** of the seedling trees will be made to the schools on **Monday March 8th** or as soon thereafter most convenient to you and the school.
